

## Oakland High School Band Boosters

Fundraising and sponsorships play a vital role to the success of the Oakland Band Program. Funds contributed by sponsors help to cover the cost of music, new instruments, instrument cleaning, instrument repair, bus rental for transportation to football games and marching band competitions, as well as pay bus drivers. In 2015, we embarked on an endeavor to raise the necessary funds to replace our marching band uniforms (which are approx. 18 years old) and we are well on our way, thanks to the generous support of folks like you! Thank you for considering sponsoring this wonderful program.
